and fell back down into the woods that he and Rugg had just trekked. But, wait, where is that big grape? As Rugg looked around, he saw the massive grape again, but this time it wasn't blurred by motion. This was clearly the adorable and legendary...Marshmellon.

Chapter 4 by WA ZAVAGE

Marshmellon knew what was occurring between saggit and rugg, so he flopped over and became a pug, smiley face wrinkles and all. This had no effect on the fight, but it was still pretty darn cute. using his divine pug powers to roll over in the mud, Marshmellon accidentally rolled over rugg so the g came of and from then on he was just rug. saggit moved out of the way in time, but his pants fell to the ground, and he simply picked them back up. Samuel L Jackson decided he was never going to eat beans on Saturday ever again, due to his farts being possessed by the one and only: Santa the thug. he died because of Samuel L Jackson's nasty poots and wanted revenge. so Marshmellon decided to kill and feed a burritonis to rug and saggit to get dat nasty stank to stop burning their nostrils, since burritonis beans have been known to cure stank.
